

Supervised Visitation and Parenting:

The purpose of our Supervised Visitation and Family Mediation Program is to provide a place for children to be and feel safe with their parents who are experiencing divorce or separation.

Parenting Education grounds the basic parenting strategies and information appropriate for all socio-economic status levels but especially for parents of children aged 2-12 years old. The program is offered in a face-to-face and online format.

Please contact The Link & Option Center at 708-331-8111 or send an email to linkandoptioncenter@link-option.com for additional assistance and consideration.
